

# Decarbonizing Shipping e-Bwebwenato #7

## Equity and Disproportionate Negative Impact

MICRONESIAN CENTER  
FOR SUSTAINABLE  
TRANSPORT

# Framing the 1.5 Agenda

- 1.5 degree Temperature Goal
- Equitable transition

# What is Equity?

- What is Equity?
- What is Equitable Transition?

- How do we translate equitable transition into practical action that ensures none are left behind in real time?

# Disproportionate Negative Impact (DNI)

- What is DNI?
- What does it mean for the Pacific?
- How do we identify who is DNI?
- How do we frame the DNI debate at IMO?

# Equity and DNI

- What do they mean in the context of IMO?
- Will addressing DNI mean justice for all?
- How do we address DNI in order to have an equitable transition?
- CBDR RC and DNI debate

# Levy proposal

- Does our proposal achieve the objective of addressing equitable transition?
- Does any other MBM offer a better pathway to an equitable transition than ours?

# Conclusion
